

Teen Seminars

Do you want to see your youth equipped to make healthy choices?

Presenters will challenge your teens in an engaging, interactive and thought provoking manner to make healthy choices for their future. Our staff have extensive experience communicating with young people and bring a fresh and dynamic approach to encourage healthy behaviour regarding relationships, alcohol & other drugs.

Year 8 & 9 No Apologies Impact Seminar

Teaching young people to make healthy choices about sex & relationships.

Based on the internationally recognised No Apologies curriculum, this seminar will give young people the opportunity to consider the truth about life, love and sex. Specifically developed to assist schools in teaching students about relationships, it will compliment your existing sexual health and personal enrichment programs. Topics include (but not limited to) pornography, the influence of the media, the consequences of pre-marital sex & how far is too far?

Year 10 & 11 R.A.D. Impact Seminar (Relationships Alcohol & other Drugs)

Teaching young people to make healthy choices concerning relationships, alcohol & other drugs and the impact of the media.

The RAD Impact Seminar will challenge young people to make healthy choices to fulfil their dreams and potential. It exposes the truth about high risk behaviour and the negative influences of peer pressure. Designed to inspire through personal testimony and story, your students will be encouraged to take a stand and dare to live against the flow of our culture.

Let Focus on the Family Australia tailor and present a seminar series to suit your needs.
